**No tree impacts anticipated in the next 2 weeks**

Full road closures are not anticipated, and roads traffic will resume uninterrupted at the conclusion of each work day; repairs are scheduled to take ~1day each.

MH rehab on-going **BLD TRACKING: 91% COMPLETE**

- Added scope and water leaks have pushed back the initial timeline for restoration in and around the Broadway area.
- With the river reaching above 11', we are required to stop any new excavation. This includes repairs and restoration efforts within 1500' of the levee. Any on-going work that has already been excavated can continue as normal.
