**DRAFT**

Rule IV Section 13. HOLIDAY PAY

13.1 There shall be a total of ten paid holidays, as established in Rule X, Section 1.2, for all employees except those who are compensated on a special hourly basis. Employees shall be paid for Holidays in accordance with Council Motion.

13.2 Employees on leave without pay before or after the ~~h~~Holiday are not eligible for ~~h~~Holiday Pay.

13.3 Part-time hourly employees receive holiday pay pro-rated based on their average daily work schedule. Part time employees shall not be eligible for ~~h~~Holiday Pay if their work ~~s~~Schedule is ~~either~~ intermittent or ~~the~~ employee is assigned less than 17 hours per week.

13.4 For non-exempt employees who work on an official city holiday, the appointing authority ~~should~~ **shall** adjust the employee's work schedule to allow another day off during that work period as a substitution for the holiday. If such a substitution is not possible, then ~~for working on the holiday~~ the employee shall be paid double time **for working on the holiday**. Under no circumstances, **except as enumerated in section 13.6 of this Rule**, shall an employee receive pay less than an amount equal to straight time for all hours worked plus holiday pay as established in Rule X, Section 1.2.

However, on New Year's Day, Mardi Gras, Independence Day, Labor Day, Thanksgiving Day, Christmas Day or on their days of observance as officially designated by the City Council, employees who are required to work shall be paid double time and one-half. Under no circumstances shall an employee receive less than an amount equal to time and one-half for hours worked, plus holiday pay as established in Rule X, Section 1.2

13.5 For exempt employees, when a holiday falls on a regularly scheduled day off or who work an official city holiday, the appointing authority must provide that employee a substitute day off within thirty days of the holiday, **except as enumerated in section 13.6 of this rule**. In no circumstances may holiday pay be used to supplement the normal weekly salary.

**13.6 Flexible Holidays.** An appointing authority with written notice to the Director may designate one Council approved holiday per year as a flexible holiday. Flexible holidays shall not include New Year's Day, Mardi Gras, Independence Day, Labor Day, Thanksgiving Day, or Christmas Day or their day of observance as officially designated by the City Council.

**When an employee who is entitled to a flexible holiday makes a written request for flexible holiday leave, the appointing authority shall, within five (5) days after the date of the employee's request, either approve or disapprove the request in writing. If the request is denied, the appointing authority shall grant, in writing, permission for use of the flexible holiday leave during an equivalent period within the 30-day period following the employee's request.**

**Flexible holidays must be used within the same calendar year as the official holiday as designated by Council Motion. Unused flexible holidays do not have any monetary value and shall not roll over to the next calendar year.**

**Flexible holidays shall not be used immediately before or after other Council designated holidays.**

**Non-exempt employees who work on the Council designated day of observance of the flexible holiday shall not be eligible for additional payment under section 13.4 of this Rule.**

#### Rule IV

9.5 If it becomes necessary for a non-exempt employee to work on an official city holiday as designated by the City Council, the appointing authority should adjust the employee's work schedule to allow another day off during that work period as a substitution for the holiday. If such a substitution is not possible, then for working on the holiday the employee shall be paid double time. Under no circumstances shall an employee receive pay less than an amount equal to straight time for all hours worked plus holiday pay as established in Rule X, section 1.2. However, on New Year's Day, Mardi Gras, Independence Day, Labor Day, Thanksgiving Day, Christmas Day or on their days of observance as officially designated by the City Council, employees who are required to work shall be paid double time and one-half. Under no circumstances shall an employee receive less than an amount equal to time and one-half for all hours worked, plus holiday pay ~~as established in Rule X, Section 1.2~~ **except as provided for under Rule IV section 13.6.** (amended October 23, 1985, ratified by the Council October 24, 1985, effective April 13, 1986)

Practice strong fiscal stewardship and ensure timely revenue recovery while balancing affordability with investments necessary to deliver critical services.

### FOCUS AREA CHAMPION:

Grey Lewis

Chief Financial Officer

## STRATEGY 1:

# Optimize capital and operational spending

**Strategy Lead:** Cashanna Moses

**Strategy Impacts:** Being strategic with capital and operational spending through more comprehensive and consistent policies and procedures, more extensive financial control, and increased transparency, will maximize the impact of SWBNO's investments and lead to increased accountability and more efficient spending. Implementing this strategy will also protect the organization from risks like inefficient and inconsistent spending due to out-of-date policies, organizational confusion, and negative vendor relations.

Tactics (12 to 18 Months)	Who and When			Comment
	Tactic Owner	Start Date	End Date	
<b><u>Completed</u></b> Review and develop updated controls and policies to increase accountability for purchases made against corporate accounts.	Cashanna Moses	Mar-22	Jul-22	Purchasing policies have been updated
<b><u>Completed</u></b> Continue to monitor and minimize out-of-budget spending and implement stronger controls to ensure purchases conform to budget limitations.	Dexter Joseph	Apr-22	Dec-22	Pre-approval is now requires for any spending over \$10,000
<b><u>Completed</u></b> Develop, update, and regularly share policies regarding capital spending.	Kevin Garrison	Jun-22	Dec-22	Updated policies and procedures are now in place
<b><u>Underway</u></b> Inventory and analyze significant spending across commodities and prioritize relationships with vendors that have the most advantageous terms for SWBNO.	TBD	Mar-22	Jun-23	Staffing shortages have impacted 2022 progress
<b><u>Underway</u></b> Check in quarterly and forecast capital funding sources and usage to increase spending transparency.	Kevin Garrison	Mar-23	Jun-22	2022 progress met expectations; completion depends on successful deployment of new financial system
<b><u>New</u></b> Leverage the new financial software to promote greater transparency.	TBD	TBD	TBD	
<b><u>New</u></b> Create a capital and operational spending workshop/training curriculum.	TBD	TBD	TBD	
<b><u>New</u></b> Evaluate internal approaches to minimize deferred capital spending.	TBD	TBD	TBD	

**STRATEGY 2:**

# Enhance budget development and management processes

**Strategy Lead:** Kevin Garrison

**Strategy Impacts:** Enhancing and standardizing the processes used to develop and manage the budget will lead to increased transparency, greater collaboration between the Finance Department and other departments at the organization, and more consistent implementation of financial controls. Implementation of this strategy will require an update to existing financial software to allow for the use of enhanced technology tools.

**STRATEGY 3:**

# Improve timely revenue recovery and leverage new and alternate revenue sources

**Strategy Lead:** Monique Rainey, LaTressia Matthews

**Strategy Impacts:** Timely revenue recovery and the identification of diversified revenue sources will increase SWBNO's ability to generate revenue and will lead to better utilization of existing revenues and increased financial stability. The strategy will require significant organizational capacity to implement, as well as technological advancements to better implement and track revenue recovery strategies.

**STRATEGY 4:**

## Enhance affordability programs to better meet community needs

**Strategy Lead:** Tyler Antrup

**Strategy Impacts:** Expanded affordability programs will help low-income residents of SWBNO's service area better afford their bills, protecting community health and safety while helping ensure that water bills do not place an undue burden on residents. Affordability programs will still need to support revenue sufficiency.

**STRATEGY 11:**

## Strengthen internal communication and information sharing to increase collaboration across departments

**Strategy Lead:** Corwin Washington

**Strategy Impacts:** Enhanced internal communication will lead to better coordination and collaboration across departments as well as greater capacity to identify issues and opportunities across operational areas. Different departments have different areas of focus and access to different technology tools and areas of expertise, which may create barriers to collaboration, but also creates opportunities for shared initiatives that utilize these diverse strengths.

**STRATEGY 12:**

# Improve knowledge capture, transfer, and succession planning

**Strategy Lead:** Irma Plummer

**Strategy Impacts:** Succession planning will help ensure that SWNBO has the resources in place to minimize the impact of employee turnover. The impact of this strategy will be to retain the knowledge held by SWNBO's long-standing employees even after employee turnover. Institutional knowledge capture helps train new employees, provides a reference for existing employees, and helps ensure that operations are consistent with best practices. Succession planning also helps reduce the financial and operational impact of staff turnover.

Continuously meet and exceed the service needs of our customers and proactively communicate and engage stakeholders

### FOCUS AREA CHAMPION:

Rene Gonzalez  
Chief Customer Service Officer

## STRATEGY 13:

## Foster a culture of customer service throughout the organization

**Strategy Lead:** Rene Gonzalez

**Strategy Impacts:** A culture of customer service means developing the workforce's skill set in engaging with customers. This not only increases staff's confidence in their ability to assist customers in a variety of situations but also enhances the customer experience. In order for this strategy to be successful, new employees should receive customer service training as part of their onboarding and existing staff should receive continuous training. Success also depends on staff's willingness to adapt, grow, and be accountable for their part in creating a culture of customer service.

Tactics (12 to 18 Months)	Who and When			Comment
	Tactic Owner	Start Date	End Date

<b><u>New</u></b> Create internal training capacity to close identified knowledge and skill gaps.	TBD	TBD	TBD	
<b><u>New</u></b> Enhance customer service delivery accountability.	TBD	TBD	TBD	

**STRATEGY 14:**

## Expand convenience systems and capabilities to improve self-service options for customers

**Strategy Lead:** Waldeen Mitchell

**Strategy Impacts:** Customer self-service options are beneficial for both customers and staff. Customers have the benefit of convenience as well as fast service. Staff do not have to spend as much capacity on straightforward tasks, allowing them to devote more time to higher-level issues, work-planning, and other responsibilities. The result is increased efficiency and productivity, as well as enhanced customer service.

<b><u>New</u></b> Deploy new online customer portal.	TBD	TBD	TBD	

## STRATEGY 15:

# Elevate core customer service delivery performance

**Strategy Lead:** Monique Chatters

**Strategy Impacts:** In order for customer service delivery to be as successful as possible, it is important to ensure that the core aspects of the service, such as communication to customers and meter reading, are as effective and accurate as possible. Implementation of this strategy helps cultivate a strong customer service foundation on which SWBNO can build future initiatives.

<b><u>Completed</u></b> Review and streamline the customer dispute process.	Chris Robertson	Apr-22	Dec-22	Program has been implemented and is working effectively
<b><u>Underway</u></b> Inventory, assess, and improve resources to help customers understand high and estimated bills.	Patricia Davenport	Mar-22	Jun-23	Planning to deploy digital, print, and in-person education resources and activities in 2023
<b><u>New</u></b> Deploy a customer service survey - transactional and full customer base.	Rene Gonzalez	Jan-23	Dec-23	
<b><u>New</u></b> Review reduction in disputes and examine the dispute workflow with emphasis on customer communication and consistency of outcomes.	Chris Robertson, Gabe Bordenave	TBD	TBD	

## STRATEGY 16:

# Advance proactive communication and outreach programs

**Strategy Lead:** Grace Birch

**Strategy Impacts:** Effective implementation of this strategy involves educating the public on SWBNO Customer Service's offerings and processes and proactively communicating to customers. Consistent, transparent communication builds trust with customers. If customers trust the process, they will be less likely to dispute bills, which will make the process of issuing bills and collecting revenue more efficient.

Improve efficiency and resiliency of current and future infrastructure by leveraging partnerships and innovative approaches to funding and sustainable design

### FOCUS AREA CHAMPION:

Ron Spooner

General Superintendent

**STRATEGY 17:**

# Shift maintenance planning and workflows from reactive to preventative through comprehensive asset management

**Strategy Lead:** Fred Tharp, David Cappel, Ashraf Abdelbaqi

**Strategy Impacts:** More reliable infrastructure can be achieved through disaster planning, real-time updates of infrastructure repairs and replacements, development of a repository for asset inspection, scheduling of asset repairs, and the integration of asset mapping with asset attributes. If implemented successfully, the result of this strategy will be less reliance on contractors for maintenance activities and a reduction in employee downtime because of the implementation of a comprehensive preventive maintenance schedule.

<b><u>New</u></b> Begin implementation of Asset Management system.	TBD	Apr-23	TBD	

**STRATEGY 18:**

# Replace and renew aged infrastructure using integrated approaches

**Strategy Lead:** Steven Giang

**Strategy Impacts:** The use of integrated approaches to renew aging infrastructure will result in less reliance on reactive maintenance and greater implementation of proactive maintenance structures. This will allow maintenance staff to focus on residential needs and emergency issues. An asset management system and an infrastructure replacement model will also allow leaders and other stakeholders to gain a better understanding of facilities issues and which facilities require replacement or improvement.

<b><u>New</u></b> Circulate infrastructure needs memo/spreadsheet and solicit staff input.	TBD	Jan-23	Jun-23	

**STRATEGY 19:**

## Successfully deliver all critical capital improvement projects by improving collaboration with project partners

**Strategy Lead:** Chris Bergeron

**Strategy Impacts:** Successfully delivering critical capital improvement projects means finishing projects on time and on or under budget. The impact of successful implementation of this initiative will be fewer change orders and more accurate budgets. Successful implementation depends on organizational buy-in as well as the ability to attract and retain talent.

**STRATEGY 20:**

## Develop long-range system master plans to renew infrastructure by incorporating community vision, green infrastructure, and climate adaptation.

**Strategy Lead:** Tyler Antrup

**Strategy Impacts:** System master planning that incorporates community voices and green infrastructure will promote resilient operations and processes that can quickly adapt to emergency events, as well as more efficient disaster recovery. SWBNO will realize cost savings and be able to deliver services to the City reliably, even during major client events.

### FOCUS AREA CHAMPION:

Kaitlin Tymrak

Business Services Lead

**STRATEGY 21:**

# Evaluate and modify organizational structure and staffing levels to improve service delivery

**Strategy Lead:** Kaitlin Tymrak

**Strategy Impacts:** Effective organizations rely on clearly defined organizational structures that clearly define the scopes of different functional groups and ensure that managers and supervisors have appropriate spans of control. Analyzing SWBNO's organizational structure will help the organization identify gaps and areas of overlap among functional groups, allowing for clearer definition of roles and responsibilities and of staffing needs, cost and time savings, and more efficient decision-making.
